**Spire St Anthony's Hospital, St George's NHS**

**Date: 13<sup>th</sup> June 2015**

**Time: 10:30AM**

**Location: Selhurst Children's Centre**

**23 Dagnall Park Road, South Norwood, London, SE25 5PL**

**Organised by Selhurst Medical Centre Patient Participation Group**

**The Selhurst Medical Centre PPG organised an open meeting on Saturday 13<sup>th</sup> June 2015.**

**Dr Adrian Draper**, through Spire St Anthony's Hospital (Christine Mitchell) was invited to give a talk on **Basic COPD- Chronic Obstructive pulmonary disease.**

All patients were invited to the meeting; Patients diagnosed with COPD were sent invitations. Posters on the open meeting were advertised in the waiting room and on the practice website. Drinks and refreshments were available.

Attendances for this meeting were poor; all COPD patients were given a courtesy call a few days before the meeting. The meeting commenced at 10:30am, PPG members and Practice Manager was at the entrance to receive the attendees.

Dr Adrian Draper gave an excellent presentation on the management of COPD and answered numerous questions from the patients. Useful tips were given by Dr Draper. Patients were happy about the meeting being arranged and said they all found the information given very useful.
