

THE SELHURST MEDICAL CENTRE

Virtual Patient Participation Group

We realise that people are generally very busy and may not have time to come to the surgery for meetings, therefore we would like to form a “virtual group” that can exchange views, participate in practice surveys and with whom we can consult from time to time by e-mail.

As a member of the Virtual Patient Participation Group we will send you emails asking for your opinion on a range of topics.

You decide how often and when you would like to answer.

Benefits of becoming a member

By doing this you will help the practice to provide an accessible and responsive service and you will be amongst the first to hear about news and updates.
